

Data Processing Agreement

GDPR Data Processing Agreement for T.A.L.A.

Version: 2.0 - January 2026

1. Purpose

This Data Processing Agreement (DPA) establishes the terms under which T.A.L.A. processes personal data as a data processor on behalf of clients as data controllers, in compliance with GDPR Article 28.

2. Definitions

- Data Controller: Client organization
- Data Processor: T.A.L.A. Inc.
- Personal Data: Information relating to identified/identifiable persons
- Processing: Any operation performed on personal data

3. Processor Obligations

- Process personal data only on documented instructions
- Ensure persons authorized are subject to confidentiality
- Implement appropriate security measures
- Assist controller with data subject rights
- Delete or return personal data after end of service
- Allow audits and inspections

4. Data Security

T.A.L.A. implements technical and organizational measures to ensure appropriate security levels including encryption, access controls, and regular security assessments.
